

WATER WORLD

If you're looking for quirky alternatives to the conventional overhead rainshower, check out the playful iB Rubinetteria silicone drop (which looks like a water droplet) and the Fratelli Frattini Do Re Mi (a trio of cylinders with different shower modes). They can all be seen at Equip-Bathrooms' new flagship showroom, which stocks European and American brands.

Equip-Bathrooms is located at #04-14 Singapore Shopping Centre,
190 Clemenceau Ave, tel: 6339-5588.
